Community Indicators:

- Increase the proportion of Indiana school districts that support and implement a comprehensive school strategy against tobacco use
- Extent of community activism among youth to support community change that includes youth involved in the VOICE movement
- Proportion of tobacco free campus policies for hospitals, health care centers, and clinics
- Proportion of smoke free policies for worksites, including restaurants and bars
- Proportion of school districts with tobacco-free campuses
- Extent of the availability of appropriate tobacco cessation services in the community for adults and youth
- Extent of tobacco control policies on university/college campuses. This includes indoor and outdoor spaces such as student housing, classroom buildings, and athletic facilities.
- Extent of participation by groups representing disparately affected (i.e. hard to reach) populations in the community
- Proportion of health care providers and health care systems that have fully implemented the Public Health Service guidelines for cessation
- Extent of participation by partners within the broad-based coalition

Local Statistics You Need To Know:

- Estimated number of adults who smoke: 19,901
- Regional percentage of adults who smoke: 24.0%
- Twenty four percent (24.0%) of women smoked during pregnancy resulting in 329 smoking-affected births in this county, costing \$610,479.24

Tobacco Free Policies

Ordinances:

Marion County/Indianapolis:

The Indianapolis ordinance requires all public places and places of employment, including restaurants to be smoke free. Bars in which no one under the age of 18 can enter, bowling alleys, tobacco bars and stores, businesses in which no one from the public enters, and 20 percent of the rentable hotel rooms. Bars and private clubs are exempt from the ordinance. The Indianapolis ordinance became effective on March 1, 2006. To read the ordinance in full, visit http://www.indy.gov.org/NR/rdonlyres/egu47gmmatj5alrhx2hogjccffml3bzuyrcd4t7u3zu4d6g_g2f4rh33lhvgjrcsb7u2aq35h3g46l2f44dnc56wb/Prop045.pdf

Lawrence:

The Lawrence ordinance requires all public places and places of employment, including restaurants to be smoke free. Bars in which no one under the age of 18 can enter, bowling alleys, tobacco bars and stores, businesses in which no one from the public enters, and 20 percent of the rentable hotel rooms. Bars and private clubs are exempt from the ordinance. The Lawrence ordinance became effective on July 1, 2006.

Speedway:

The Speedway ordinance requires all public places and places of employment, including restaurants to be smoke free. Bars in which no one under the age of 18 can enter, bowling alleys, tobacco bars and stores, businesses in which no one from the public enters, and 20 percent of the rentable hotel rooms. Bars and private clubs are exempt from the ordinance.
